### NOTICES

- Messy Church are hoping to make a couple of sets of "big feet". If you have some **planks of wood measuring 1.2-1.5m long, about 15-20cm wide and about 1.5-2cm high** that you are prepared to donate, please let us know. We can always arrange for it to be cut to size too! Please contact Jean 083 2343371 if you are able to help.
- **MESSY CHURCH** is **TODAY** from 3pm - 5pm. Bring your **families** (young, old, not-so-young, not-so-old) and friends to a relaxed and fulfilling afternoon of worship where your hearts, minds and tummies will be fed as we creatively explore the theme for the month. Request donation of R30 per person. For more information please contact Jean 083 234 3371.
- Our August jumble sale made R5076 which is wonderful and we had many happy customers. Thank you to everyone who donated clothing and to those who worked on the day or with sorting and marking. A big thank you to Duzi for getting the area set up and the jumble loaded and unloaded into the trailer. These funds will buy e-pap, the fantastic vitamin porridge, for the ill, assist a family to get a late registration of birth via having blood tests and send people to hospital to collect medication.
- We received a wonderful donation of groceries for Mandela Day from the residents of Evergreen Lifestyle Village and we thank all the residents for their generosity. Fr. Mike will distribute food parcels to the families he supports in the informal settlements of Video near Muldersdrift and Drummond on the way to Lanseria Airport.
- We have had such a wonderful response to our frozen soup appeal that our freezer is full. With Thursday being a holiday we also took a break so also take a break or keep your soup in your home freezer for the next couple of weeks. Thank you all very much

Mechtild of Magdeburg  
Had her first spiritual experience when she was but 12 years old in which she saw "all things in God and God in all things.

*Effortlessly;  
Love flows from God into man,  
Like a bird  
Who rivers the air  
Without moving her wings.  
Thus we move in His world  
One in body and soul  
Though outwardly separate in form.  
As the Source strikes the note,  
Humanity sings -  
The Holy Spirit is our harpist,  
And all the strings  
Which are touched in Love  
Must sound.*

Roger Housden writes of this poem:

Like a bird in the air or a fish in the water we live and breathe and move in God's love always, whether we know it or not. So there is nowhere to seek  
and nothing to do except to recognize and bow to that which is already so.  
That our life is as effortless as a bird that rivers the air.

(Roger Housden: for lovers of God everywhere - poems of the Christian Mystics. Highly recommended, Blessing, G)
