Beautiful saints of God

I am trusting God's great grace and faithfulness has kept you and yours for the past week. It has been a hectic one for me and the family, as I attempted to balance work, church and family commitments. It is my sense that this is true for all of us, and so am filled with joy at the opportunity to gather corporately on a Sunday to be refreshed and renewed.

We have another wonderful opportunity to gather as the family of God on Saturday 25 May (Africa Day). I see the planned Shisa Nyama primarily as God's invitation to us to fellowship, and experience Him at work in us. A reminder in His word that "**when two or three are gathered in my name I am there**". It will also be my first time to be with you all in a less formal setting, and so the family and I are looking forward to the quality time that can create for deepening our relationship.

As I settle into the rhythm of our community I will also be spending more time at the church. Generally, I will be available Tuesday, Wednesday and Friday mornings. For those that are busy during the working week I am also available on Saturdays outside of any ministry meetings and events we have. If you would like personal time with me for any reason please feel free reach out and we can schedule accordingly.

Yesterday we had our first meeting as Exco and we will be having our first Parish Council meeting on Thursday. Watch this space and the notices for details of our deliberations. Please pray for us as leadership, as we journey with God to hear His leading and follow His command.

Looking ahead to June I am excited to share that our young people have agreed to design and participate in all Sunday services. It is an opportunity to show case and celebrate their amazing talents. Please make an extra effort to attend these services so our young people can experience our love and support. Parish Ministers will be meeting on the last Saturday in May to finalise our planning to support them.

As we continue to journey into this Easter Season our lectionary readings remind us what it means to be a Resurrection People. Central to this is the love God has revealed to us, the love that calls us each by name, and the love that God seeks to grow in us, and through us share with a broken and wounded world. My prayer for each of us this week is that this love will be our source to draw on as we continue to balance the many commitments we have.

With love and blessings on your week ahead  
Revd. Anastasia
