**RIP : Nick Havemann**  
*The family extend their gratitude to All Saints for our continued prayers for Nick in the past few months*

Beautiful saints planted by God in this place, grace and peace.

As we end our month of healing services, I am trusting that the word of life God has planted in your life will flourish like a tree by the water (Psalm 1). And that each of us, individually and as a community, will find the courage to step into the future God has prepared for us. We praise Him for His faithfulness, goodness and mercy. I encourage you to continue praying the scriptures offered at each healing station, as a way to sustain the momentum of change.

As we look towards September, we anticipate the promise of spring and the new life it offers us. A reminder that there is time for every season – and that joy always comes in the morning. We will use September to celebrate the Season of Creation as bedrock for our growing in stewardship of all God has entrusted to us. Part of this stewardship is giving back to God in thanksgiving for His loving kindness and tender mercies. Please begin praying about the specific ways in which God is calling you to contribute in time, talent and money towards the ministry of this place. We will be handing out DG forms from next week and request that once you have discerned the answer to fill the form and bring to service for blessing.

God challenges this us : *“Bring the whole tithe into the storehouse, that there may be food in my house. Test me in this,” says the LORD Almighty, “and see if I will not throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it” (Malachi 3:10)* Let us take up this call.

With love and blessings always

Revd. Anastasia
