### ALL SAINTS DEBS AND SQUIRES YOUTH MINISTRY

In 2018, we at All Saints Fourways Gardens Anglican Church are rising to the Bishop's challenge of this year being "The year of uplifting the Youth." As such, we have created the All Saints Debs and Squires program. The program is targeting 13 – 18 year old, Girls and Boys (exception those turning 12 in 2018 and maximum 21 years of age in 2018). The Youth do not have to be from All Saints Fourways Gardens Church but must be committed to the program. We have designed a 7-month program with three pillars namely; grooming civic minded people; community service & active participation and fund raising for the church.

**Grooming civic-minded people:** A program has been designed to encourage the youth to participate in various aspects of life, to gain valuable skills. This is a serving, financial, grooming, crafts, spiritual journey. The youth will become a formidable team in the end as they work toward a common goal.

**Community service & active participation:** To encourage active participation in the community we live in, the youth will have to participate in other events that give to those in need e.g. soup kitchen etc. At the end there is an award for active participation.

**Fund raising for the church:** While the aim is to raise funds, the program is also designed to teach the youth financial responsibility. Throughout the year, Debutantes and Squires acquire points for fundraising (they are given a target and are to come up individually with innovative ways to reach this target with the help of their family and friends. They will also participate in the church fundraising programs, where the money raised will be apportioned to their name). At the end of every year, there is an award for the Top 3 Debutantes and Squires who have raised the most money and other awards for participating in the program.

At the end of the program we will host, an Evening of Glitz and Glam: The Debs and Squires Ball (date and venue to be confirmed, October is the targeted month). The Debs and Squires ball is an award ceremony, which will be held to celebrate those that have achieved in many areas – the youth and the congregation (grooming, dancing, character, fundraising, community service). All Debs and Squires (regardless of their targets being reached or not) are presented to the bishop, the ladies wearing their beautiful formal white dresses and the gentlemen in their formal suits (they are allowed to bring partners outside of the church program). While a winner is crowned in the end (the one who raised the most funds), the emphasis is on participation in key areas of "community living."

Below is an example of program roll out, which will be discussed at our first kick off meeting, scheduled for the 10<sup>th</sup> of February 2018: We will include young people on rosters for areas such as the welcoming table, bible reading, leading church prayers, worship - playing in the band/singing in the choir, organizing and serving morning tea, help with teaching the younger children's church, making soup, serving at church events, Friday Night or Saturday Bible Study & Group discussions – (video content, youth specific and encourages bonding with peers), Bible Quiz – Complete each month, Spoken Word Friday or Sat/ Team Building Activities and events (guest speakers to come and share on relevant topics, poetry night, lyrical nights/skits), training - dance, manners etc. - slot of the bible study in rotation or team building), soup drive, Messy Church, Jumble Sale/ Good as New Sales and participating in the church fund raising initiatives including, Book Sales, Car Wash Sundays (congregation turn in their keys to the youth to wash during church) or linked to a Shisa Nyama (public to be invited), Recycle (place bins around the church and events) – youth can take to recycle centers to get money), Special days (Valentines Day/ Mother's Day /Father's day) activities, hosting an All around the world dinner and more.

While there is a list of activities, we have taken the school calendar, exams into account and participants will have to participate in a minimum of the activities and not necessarily all of them.

We look forward to hosting parents and your children in 2018.
